United States District Judge

Re: *United States of America v. Rare Breed Triggers, LLC, et al.*
No. 23-cv-369 (Morrison, J.) (Levy, M.J.)

Dear Judge Morrison:

The United States respectfully writes to supplement its Exhibit List, Witness List, and Deposition Transcript Designations. The Exhibit and Witness Lists supplement the United States' responses to Defendants' objections where they have been addressed by the Court's recent rulings regarding the parties' motions *in limine* and admissibility of certain exhibits. The Deposition Transcript Designations have been supplemented, and include Defendants' objections (and the United States' responses) for which the parties have been unable to resolve disputes.

The United States thanks the Court for its consideration of this matter.

Respectfully submitted,

BREON PEACE
United States Attorney
